

Hard Case included with product purchase

clip-ons

by  **SUNDOG**
eyewear

Polarized lenses clarify vision, enhance contrast and eliminate 99% of reflected glare enabling us to see the clear, natural beauty of true colours without distraction.

Sundog Hard Coat Polarized (SHC) lenses have been treated with a special film that reduces scratches and enhances durability. This special hard coating offers similar qualities of the higher priced glass polarized lenses without the weight of the heavier glass. These lightweight clip-on sunglasses are more comfortable for extended wear.

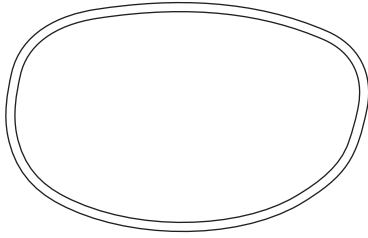

IDEAL for:

- **GOLFING**
- **BOATING**
- **WALKING**
- **DRIVING**
- **FISHING**
- **SKIING**

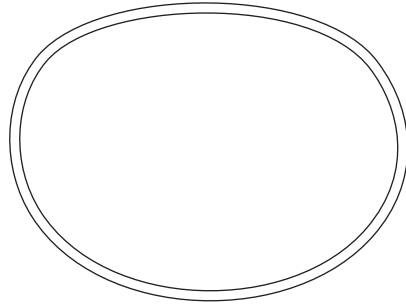

Laser etching identifying style number and shape is tastefully applied on the inside of the spring enclosure.

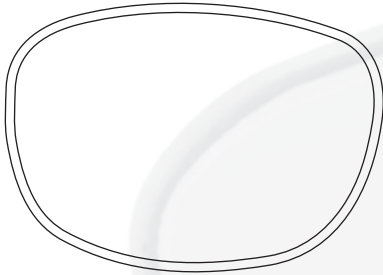

or anywhere that glare interferes with your vision!
